Group 27

Reporting and Analytics

In the report following items are shown:

Report and Analytics for Rank of Sales Amount

(Display according to the amount (Largest Amount display first))

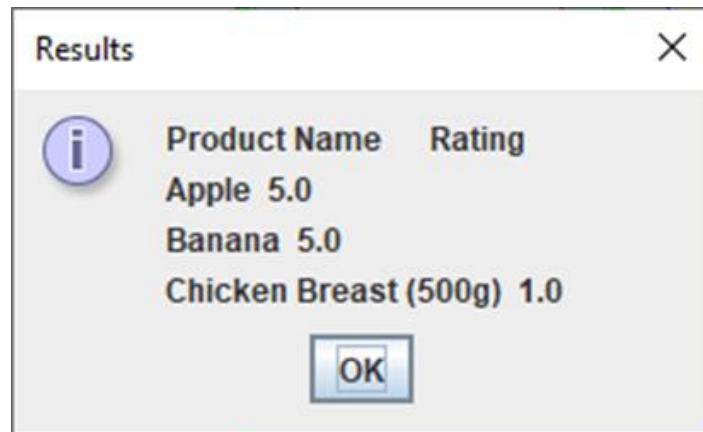

The screenshot shows a 'Results' dialog box with a close button (X) in the top right corner. On the left side of the dialog is a blue circular icon containing a white lowercase 'i'. The main area of the dialog contains a table with three columns: 'Product ID', 'Product Name', and 'Amount'. The table lists four products, sorted by their sales amount in descending order. At the bottom center of the dialog is an 'OK' button.

Product ID	Product Name	Amount
1	Apple	11
3	Orange	7
5	Watermelon	4
2	Banana	3

Report and Analytics for Rank of Favourite Product

(Display according to the Rating (Largest Rating display first))

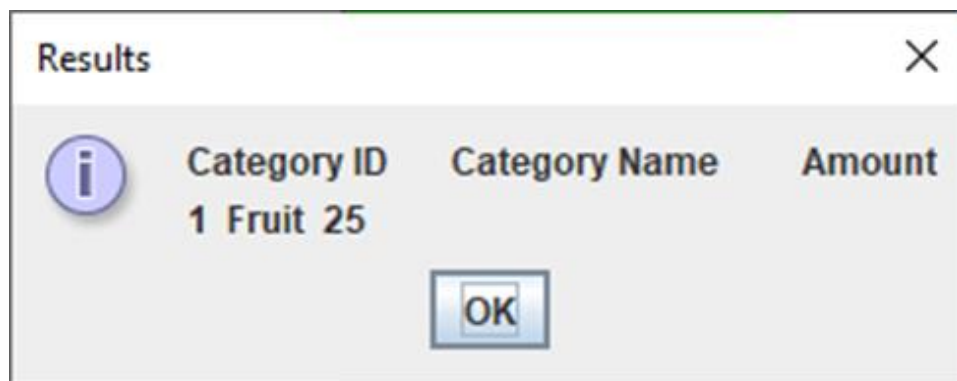

A screenshot of a 'Results' dialog box. It has a title bar with 'Results' and a close button. Inside, there is an information icon (i) on the left. The main content area displays a table with two columns: 'Product Name' and 'Rating'. The data is sorted by rating in descending order. Below the table is an 'OK' button.

Product Name	Rating
Apple	5.0
Banana	5.0
Chicken Breast (500g)	1.0

Report and Analytics for Rank of Favourite Category

(Display according to the Amount (Largest Amount display first))

A screenshot of a 'Results' dialog box. It has a title bar with 'Results' and a close button. Inside, there is an information icon (i) on the left. The main content area displays a table with three columns: 'Category ID', 'Category Name', and 'Amount'. The data is sorted by amount in descending order. Below the table is an 'OK' button.

Category ID	Category Name	Amount
1 Fruit		25
